

# MEGA Makes Energy Procurement Easy As 1, 2, 3...

The Municipal Electric and Gas Alliance (MEGA) helps local governments and school districts achieve the most competitive prices on natural gas and electricity by hosting a competitive public bidding process in compliance with all public requirements, vetting responses, and sharing savings with all its members through piggy-backing provisions.

But don't take our word for it, get a customized pricing quote today and see how joining MEGA leads to MEGA savings!

Getting a MEGA pricing quote for electricity or gas is as simple as 1, 2, 3.

STEP  
**01**

Fill out the Pricing Proposal Request form  
[www.megaenergy.org](http://www.megaenergy.org)

STEP  
**02**

Find the last two months of your electric or gas bills.

STEP  
**03**

Scan them and send to [info@mega.com](mailto:info@mega.com)

Getting a quote from MEGA is easy, but reading electric bills in New York State is anything but. With supply costs constantly changing, MEGA will make sure your electricity and gas contracts protect your expenses with our vetted and customized pricing and lower energy rates.
