

Authorization and Pricing Proposal Request

Yes, we are interested in procuring energy supplies and services through the Municipal Electric and Gas Alliance (“Alliance”). In signing below, we are indicating our consent and authorization:

1. For our electric and/or gas utilities to provide data about energy usage and costs that may be requested by the Alliance, its Consultants (EnergyNext, Inc.), and/or selected ESCOs (suppliers). This information will be kept confidential. I understand that separate ESCO Letters of Authorization may be required. If so, Alliance is authorized to complete forms on our behalf.
2. For the Alliance to include our name listed as a potential power purchaser for the purpose of supporting competitive bid documents to be issued by the Alliance to providers of energy supplies and services.

We understand that the execution of this Participation Request and Authorization is NOT a commitment by this organization, nor an obligation to contract for electricity or natural gas through or in conjunction with the Alliance. No commitment or obligation will be required until a pricing offer and agreement is presented and accepted by us.
