

Staffing

During 2025, MEGA's operations were administered by Executive Director Mark LaVigne and Energy Specialist for Local Governments and Schools Paul Kelly. Staff supported member engagement, communications, marketing activities, operational administration, and Board-directed initiatives. The staff for 2025 were as follows:

Staff Name	Position
Mark LaVigne	Executive Director
Paul Kelly	Energy Specialist for Local Governments and Schools

Organizational Chart

MEGA operates under the direction of its Board of Directors, with day-to-day administration managed by the Executive Director and staff. To support its mission and member services, MEGA works closely with Priority Power/Energy Next, which provides technical energy expertise, market analysis, procurement support, member assistance, and strategic consultation. The organizational structure in effect during 2025 is illustrated below.
